# Notes On Small Animal Dermatology

## Synopsis

Part of the popular 'Notes On'™ series, this book is full of practical advice and information on diagnosing and treating common dermatological problems in small animals. The rapid reference format is designed to help you locate information as quickly as possible. Information on common dermatological complaints is offered in different ways to meet a variety of needs. Firstly a problem-orientated perspective is provided, and then a disease-based perspective looking at what underlying problems cause particular diseases. This is followed by a section that looks at dermatological disease by anatomical location, and a section that outlines different treatments. Supplemented with full-colour photographs throughout to aid diagnosis Detailed flow-diagrams illustrate the problem-orientated approach Text is laid out in note form for ease of reference This book is ideal for veterinary students, new practitioners and established professionals who need a quick refresher

## Book Information

File Size: 8279 KB

Print Length: 376 pages

Publisher: Wiley-Blackwell; 1 edition (November 28, 2011)
