Witches Of Crystal Cove: Murder Most Sudden (Witch Cozy Mystery And Paranormal Romance)

Synopsis

"A perfect blend of witches and mystery that keeps you turning the pages." "A superb witch cozy mystery series that just keeps getting better. I'm hooked on Jane, Lizzy and Agatha Summers and interested to see what's next." After two murders, Jane Summers just wants to get back to running her cafe in the coastal town of Crystal Cove, Maine. But this amateur sleuth is about to face her toughest case to date. When notorious restaurant critic and long time friend turns up dead and someone is pointing the finger at Jane, she must now rely on her two batty sisters to unravel the mystery while she is being held at the Crystal Cove Police Department. But murderous secrets and lies aren't the only things that are about to be unravelled. Could Jane be staring down jail time? Read all ten books in the Crystal Cove Mystery Series: Witches of Crystal Cove: Murder Most Horrid: Book 1 Witches of Crystal Cove: Murder Most Peculiar: Book 2 Witches of Crystal Cove: Murder Most Sudden: Book 3 Witches of Crystal Cove: Murder Most Foul: Book 4 Witches of Crystal Cove: Murder Most Twisted Book 5 Witches of Crystal Cove: Murder Most Odd: Book 6 Witches of Crystal Cove: Murder Most Mysterious: Book 7 Witches of Crystal Cove: Murder Most Ghastly: Book 8 Witches of Crystal Cove: Murder Most Frightful: Book 9 Witches of Crystal Cove: Murder Most Grim: Book 10

Customer Reviews

I love this book. I'm a great believer in witches and am always happy to read about them. Jane is a cafe/coffee shop owner and is helping the police do their job. Her fun, clean and family oriented. I will be recommending these books to everyone. Great writing!

I have said this before, I love this type of witch books, it is clean, funny, and entertaining. It was not gooey nor overly romantic, it was well written, the plot was flowing, the characters had character, and I can't wait for the next one to come out. I would recommend this book to anybody who likes to read about witches and have fun. This is good magic not dark magic.

Good stories, but needs an editor and a proofreader. Example: Dad parked up outside. Or talking to one person and answering another. A few pages had so many errors I had to stop and decipher what was meant. It took some of the pleasure out of the book. Also, no fair keeping the final bit of information secret. Each ending we find Jane saw something that wasn't mentioned in the book which becomes the key to the solution. I enjoy two of the three sisters, Lizzy still remains a charachature after 8 books. Aggie is little better, and let's get to the hunters or drop them.

I love this series because I have only been able to figure out 2 of the murders before they were revealed. I read these fun light hearted books to help keep my mind off chronic pain. When is the next book? I'm not from Maine so some of the British/Canadian colloquial comments threw me, but then I have a concussion.

I liked the idea behind all three books, but I felt that the characters need to be fleshed out more, in order to give readers a reason to follow the series. All three books start out with the same premise, the victim fights with a bunch of people and then ends up dead. Jane is a friend of either the victim or the suspect and gets involved with trying to solve the murder with the help of her sisters. Then she solves the murder after talking to her dad. Boom, book over. It needs more content, more daily activities aside from solving the case, more back history and character interaction. At the end, it leaves more questions than answers and a big feeling of being left hanging instead of contentment of a good book that makes you want to return again and again.

More characters development could help, but I'm not sure how much. The mystery is solved after the dad speaks (or after the cat speaks), the civilian sets up the sting after giving the order to the pros to wait in the wings in Crystal Cove (or is it Enchanted Bay?). Wait, which witch is which?! P. S. A boyfriend who answers a query about his interest in another woman with "You know you don't need to be worried. She is way out of my league," should possibly be an EX-boyfriend.

If you are looking for a light book with good twists this would be good. A definite beach book. I am reading the series and like the characters. However, the plots are becoming tedious and the dialogue between Jane and Max along with their relationship has stalled. I am hoping they move forward in the next book.

A perfect book to kick back, enjoy the day with. The characters make me smile as I root for Jane and Max, and hope that all goes well for Jane and her mother. And secretly? It makes me hope that there are witches like Jane and her family in the world
