Sex Positions:: 21 Illustrated Sex Positions To F*ck Her Brains Out

Synopsis

Add some new positions in your lovemaking for increased pleasure and passion in the bedroom! Does your sex life feel stale and routine? Is your woman or man interested in experimenting? Do you want to become even better at delivering pleasure to your partner and yourself? If so, by reading this book you will learn many practical ideas to spice up your sex life! Relationships are about growing, and when things become routine, sometimes the passion fades away. When you are always having sex in the same ways, perhaps it is what you and your partner prefer, but if not, why not add some variety and spice to your sex life? In this book, you will learn how. Most of us know of the basic positions such as doggy style, missionary, cowgirl, etc, however did you know there are many more that you can experiment with to bring variety to your lovemaking experience? These are tested positions that have been taken from the Kama Sutra itself, which is the essential philosophical and physiological master book of sex! You will learn such positions as... *Tight Squeeze* *The Good Spread* *Hit The Spot* *Happy Anniversary* And 17 others! What have you got to lose? All you need to do is experiment, and practice these positions until you become a master at it! Buy this book now, and you can get started!

Customer Reviews

The Sex positions in this book will help me have options when making love to change and being creative in love makes it an interesting relationship all the time. This book has a number of sex position but it doesn't mean you should try all of them, but selecting the ones that will best suit both of you.

This book had made a lot of important points for a long lasting relationship for a couple. A good reference for those couples whose relationship is going downhill and would like to fix it in their own way. Let the intense and pleasure make your romantic scene be memorable and exciting. With this book, you can achieve it and feel a hot while performing the different position. I highly recommend this book to all the couples who are looking for new ways to improve their sex life.
