Synopsis

"Failed Choices" reveals the truth about Hillary Clinton's tenure at the State Department. With chapters on Benghazi, Russia, the Middle East, Israel and her inability to manage the State Department, "Failed Choices" will combat the spin coming from Clinton's memoir Hard Choices and look ahead to Clinton's inevitable 2016 campaign.

Excellent, EXCELLENT read. Of all the books I've read on Hillary-State Dept.-Obama foreign policy-Benghazi, this is. by far, the most informative and concise. What better way to anticipate a Hillary presidency than to evaluate her performance as Sec. of State. If she is elected you can expect disinterest in the job, missed opportunities to make a real difference, inefficiency, waste, cronyism, and living the high life at taxpayer's expense while funneling money to the Clinton Foundation, in simplest terms a tax evading money laundering scheme benefitting the Clinton family. Every voter who cares about the course of this country needs to read this!! That's the bottom line on "Failed Choices".

Thompson goes way beyond the well known 'headliner' scandals and foibles, and delivers the specifics about failure after failure - from lack of oversight to mismanagement to criminal behavior. All carefully researched and footnoted with sources and background. Highly recommend!

Very well documented and tells the real story of Clinton's tenure as head of the State Department. She is not a manager of a large department and if she did not learn from her mistakes there is no reason to believe managing the Oval Office will be any difference. This is most read for every Democrat before the election next year!

More fodder for the epic failures of then Sec of State Hillary Clinton, who brags about her "accomplishments" but in reality had NONE, from the Failed re-set with Russia to the ending debacle of Benghazi, her crown jewel of Failure, a must read. I hope Trump reads this and recites some of these horror shows.

My personal opinion of Hillary is not good. The reasons are clearly stated in this work. This should be read and discussed by anyone even thinking of voting for her. Great job. Thanks!!

If you are fed up with Washington lobbyists and political insiders, this is a must read. Don't let HRC make fools out of middle class America. She may be the most pandering and corrupt politician in American history. What she says and does are two different things.

Learned quite a bit. I just wish it was longer. It is well worth reading. It can be read in a few hours.

Well documented. Confirms the suspicions of many, in my opinion.
