# Smoke (The Slayer Chronicles Book 1)

## Synopsis

When Naelen Spencer shows up at Clarke Gannon's apartment saying he wants to hire her to hunt his sister down, she's got zilch inclination to actually take that job. For one thing, she's not actually looking for an employer. For another thing, Naelen is the kind of rich, entitled playboy that she hates. For a third thing, he's a dragon shifter, and she's a dragon slayer. Those things don't mix. Sure, okay, she doesn't kill shifters, only soulless, monster dragons that do nothing but burn, kill, and destroy. And fine, he does happen to have eyes like the sky in high summer and a deep voice that makes her feel warm all over. And all right, she needs the money he's offering. She could use it to help her sister, who's never caught a break her entire life. But screw that guy. That's what she wants to say, anyway. Instead, she ends up taking him up on his offer, and then she's flying off in a private jet to get mixed up with a creepy country town, a nest of powerful vampires, and a bunch of potent magical objects.

## Customer Reviews

Absolutely recommend. The love triangle is very interesting and you can tell that the two males are completely fallen for the female lead. The female lead is very strong willed and she is very passionate about her line of work because of things that happened to her and her older sister when they were little kids. I will say all the mythical magical creatures in story books are real in this book and everything meshes very good together. 'œ

I love Ms St Crowe's series with Penny and Lachlan and was glad to see our favorite ethical dragon slayer, Clarke, get her own series. The storyline of getting hired by a rich dragon shifter to find his feared to be a rogue sister is good. The writing is good. Unfortunately I just did not like either male lead, Naelon or Logan. Clarke is too good for either, but I still look forward to the next installment.

Meh!! I can't give this book more than two stars. The storyline was just OK. No suspense. No real connection between Clarke and Naelen. Logan's character was better fleshed out. Much better than Naelen's yet Naelen is supposed to be the romantic lead. I found Naelen's personality to be whining, obtuse, autocratic with a touch of stalker. Ugh!! liked Clarke, but even she couldn't turn this into a good book. I do give Ms St. Crowe a Big thumbs up for keeping foul language and gratuitous sex out of the story.
