You Are My Witness: The Living Words Of Rabbi Marshall T. Meyer

Synopsis

Marshall Meyer, who died at age 64 in 1993, was a human rights leader and a powerful voice for justice. People flocked to hear him in Argentina, where he served as a rabbi for twenty-five years. In the mid-1980's, he became the spiritual leader of the fastest growing Jewish congregation in the U.S., Congregation B'Nai Jeshurun. People like Sam Freedman, Richard Bernstein, and Jan Hoffman of the New York Times are members. Harvey Cox, Elie Wiesel, and William Sloan Coffin were close friends. After the rabbi's untimely death, Jane Isay had urged his widow, Naomi Meyer, partner in faith and action, to create a book from his writings so that his voice would not be silenced forever. Instead of finding the yellowing pages of rabbinic prose or the dry papers of a rabbi-scholar, Jane Isay encountered a powerful voice that implores readers to see the cruelty of our greedy world, begging them to understand the pain of the oppressed, urging them to awaken from their slumber of inactivity, and directing them to act for justice out of respect for the great prophetic vision that is the Jewish gift to civilization. There is a long Jewish tradition of master rabbis, who attract large followings through their lives and whose teachings live long after they die. The writings collected in this gem of a book combine the best of Jewish prophecy with social action and a great sense of joyfulness.

Book Information

Customer Reviews

In 1986, during a visit to New York, I was introduced to Rabbi Marshall T. Meyer (Z"l) by our friend Jacobo Kovadloff (Z"l). We talked for a while and from then we became friends and he invited me to study at his Latin American Rabbinical Seminary, in Buenos Aires, for a six-month special training. Then I learned little by little on Rabbi Meyer, his tenacity and creativity in reviving the

Jewish conservative communities, his bravery in defending human rights and saving human souls (Jews, Christians, atheists, simply human beings) during Argentinian military regime (1976-1983). His speeches and writings always were remarkable, and I recommend this book showing how much this valuable man had to tell us. I remember our last phone conversation in late 1993, his words of support for my new life in the United States, and he didn't mention his life was ending... A few days later he passed away. Read him, he was one of the just ones.

I found this a most moving and inspirational book. But then I'm not an unbiased reviewer: I was Marsh Meyer's roommate for four years at Dartmouth. He passed away some years ago but this little book brought him back to life for me.
