The True And Invisible Rosicrucian Order: An Interpretation Of The Rosicrucian Allegory & An Explanation Of The Ten Rosicrucian Grades

Synopsis

This is a thorough presentation of the Rosicrucian system of Initiation by Dr. Paul Foster Case. He explains that Rosicrucianism is based upon earthly organizations, but on personal unfoldment, and clearly describes the distinctive marks of a Rosicrucian. The treatise is divided into two main parts by Dr. Case. The first is a careful examination and interpretation of the principle Rosicrucian manifestos, the *Fama Fraternitatis* and the *Confessio Fraternitatis*. The second part is an explanation of the Rosicrucian Grade system, as applied to the diagram of the Tree of Life and Tarot attributions. By participating in the outlined procedures, aspirants are put on the right track of preparing themselves for union with the Higher Self, which may or may not include group work with an outer order or fraternity. The first editions of 1927, 1928 and 1933 were of limited publication. The fourth and most complete expansion of the text by Paul Case was finished in 1937, revised by him in 1953 just before his death, and published in hardcover by Weiser in 1985. It represents the full maturity of his thought on this subject.

Book Information

Paperback: 344 pages

Publisher: Samuel Weiser (May 1, 1989)

Language: English

ISBN-10: 0877287090

ISBN-13: 978-0877287094

Customer Reviews

Who were the Rosicrucians? Appearing out of nowhere in 1614, the Rosicrucian fraternity anonymously published two manifestoes and then went silent. Because of this silence, many scholars surmised that the Rosicrucian Order was just an elaborate hoax... but the Rosicrucian manifestoes undeniably had an immediate and profound impact on the philosophy, science, and politics of the age. Even unto the Twenty-First Century, Rosicrucian thinking continues to play a major role in Freemasonry and many other esoteric organizations. Paul Foster Case wrote "The

True and Invisible Rosicrucian Order" because he believed that the original Rosicrucian manifestoes were written in a sort of Qabalistic short-hand, making them clearly understandable to those versed in alchemy and Qabala-- and obscuring much of their meaning from the general reading public. The first portion of Case's book is an exhaustive look at the Rosicrucian manifestoes, gleaning a treasure-trove of Qabalistic symbolism, numerology, and sacred geometry from the literal words printed in the documents; the second half of this book presents a series of highly subjective meditations on Rosicrucian philosophy, using Tarot keys to communicate the wisdom of the Rosicrucian masters. The first portion of the book, covering the Rosicrucian manifestoes, is hardly light reading. Case spends page after page delving into the esoteric significance of the two Rosicrucian documents, reading deeply between the lines for a hint as to their real meaning. Admittedly, Dr. Case's style is relentlessly analytical, and he writes with a sort of focused intensity that may not appeal to everyone. Much of this material is difficult to grasp, many of Dr.
