The Force Unleashed Campaign Guide (Star Wars Roleplaying Game)

Synopsis

Unleash the Force and fight the Empire. The Emperor has swept away the last vestiges of the Old Republic. Darth Vader and his dark apprentice hunt down the surviving Jedi one by one, but a few escape capture and find refuge on backwater worlds. Fewer still reach deep into the Force, unleashing powers beyond their wildest imaginings. Meanwhile, other brave heroes rise to oppose the tyranny of the Empire, heralding the birth of the Rebellion. This campaign guide draws its inspiration from *The Force Unleashed*, a revolutionary new video game from Lucasfilm, Ltd. It presents a complete campaign setting during the period between *Episode III: Revenge of the Sith* and *Episode IV: A New Hope*. The guide offers exciting new character options and Force powers for players as well as adventure content, campaign seeds, and ready-to-play adversaries for Gamemasters. This supplement is designed for use with the *Star Wars Roleplaying Game Saga Edition* core rulebook.

Customer Reviews

I am a casual SW:SE player and I find that I truly enjoy the two recent campaign settings that WotC has put out for it (This and *Knights of the Old Republic Campaign Guide* (*Star Wars Roleplaying Game*)). Each adds a great deal to your options, has splendid flavor and lore intertwined and seems like it had some decent production value (especially *Force Unleashed*, as it has actual concept art from the game of the same name *Star Wars: The Force Unleashed*). But now, onto the review.

Chapter 0: Introduction The introduction is done exceedingly well. It begins by giving a short situation report on the status of the galaxy; How the Republic has fallen and the Dark Times are upon the beings of the galaxy. Then, it goes on to summarize what you will find in each chapter of

the book. It then explains how a Force Unleashed campaign is markedly different from the other era's you might play in. Much more so than the Rebellion Era, the Empire is supreme. There's no Rebel Alliance to help you when you're in dire straights, it's quite an epic set up for You vs The Empire. The last part of this chapter is six item timeline of events that span the Dark Times. It begins with the execution of Order 66 and Palpatine's New Order speech, and ends with the Corellian Treaty, where the Rebel Alliance was born. This is an excellent primer for the rest of the book.

Chapter 1: Species

We have 10 new species for everyone to try out.
