The Theology Of Time - Secret Of Time

Synopsis

The Theology Of Time (The Secret Of Time) Direct Unabridged Transcription By Elijah Muhammad

The Theology of Time is a 20 lecture book. The lecture series ranged from June thru October 1972. It wasn't uncommon to either hear him on radio broadcasts or one of his ministers. Having been prohibited to speak by Allah up to this point, this represented a significant occasion. Elijah Muhammad covered a wide and comprehensive overview of his entire program, concepts and lessons. This is by far the most wide ranging example of his teaching. Many of the subjects he taught was scattered over the entire period, which is why in this direct transcribed version is made available; thus leaving the subjects in the exact order the Messenger taught them.

Customer Reviews

While his teachings are perhaps still on trial before the bar of world opinion, only time and God will successfully defend the Honorable Elijah Muhammad. But The Theology of Time, a magnificent compilation of 22 lectures, wherein Elijah Muhammad expounds on the more arcane aspects of his teachings, should suffice until such day arrives. This is not an easy read but it's a pleasant one if you know how to read the Messenger. In Elijah Muhammad's other books, he expounds on his

message to give readers an awakening; but in this book, he expands that message to give the "scientists" a deeper look into his mind. This work is not for Nation of Islam or Black Studies neophytes. But even they, however, will bear witness to a profound theology just gleaming a few pages in this book. For advanced minds, this is the advanced Elijah Muhammad book. When you understand this stuff, then you understand the man and a whole lot more. Perhaps the most controversial and misunderstood leader in the history of the world, Elijah Muhammad is deserving of a recognition, which at least distinguishes him as one of the great social reformers in world history. What greater testimony can we possibly have of that, than that of Malcolm X himself. Make no mistake, orthodox Islam did not reform Malcolm Little; Elijah Muhammad did. Now, as that recognition would still, nevertheless, shotchange this great man; it would at least be a step in the right direction. He declared that he was the "Messenger of Allah," and I've not known of anyone who could successfully debunk that claim. So the jury is still in deliberation on the "Elijah Muhammad" case, and it doesn't look good for the plaintiffs. We may presently receive a verdict: "Innocent."
