# Japanese Business Law In Western Languages: An Annotated Selective Bibliography, Second Edition

## Synopsis

Japanese Business Law, Second Edition is a selective but substantial bibliography of Western language scholarship from the past several decades dealing with Japanese commercial, public and private law. It includes works by Japanese and non-Japanese authors alike on matters ranging from the law of obligations to corporate governance, to more general works on the Japanese legal system and law reform. This bibliography is perfect for any researcher, lawyer, librarian, teacher, or student of Japanese law who maintains or is building up a collection or selection of Japanese resources. The second edition of Japanese Business Law provides the only reference of Western language materials on most areas of Japanese law, a first person point of view of Japanese law for those who do not speak Japanese and a significant step in the contribution of law outside of Japan

## Book Information

Hardcover: 462 pages

Publisher: William S. Hein & Co., Inc.; Second edition (February 27, 2013)

Language: English

ISBN-10: 0837738954

ISBN-13: 978-0837738956

Product Dimensions: 1.2 x 6.2 x 9 inches

Shipping Weight: 1.6 pounds
