Historic Haunts Of Savannah (Haunted America)

Synopsis

As one of America's most haunted cities, Savannah, Georgia, has a long list of stories of the supernatural, such as the story of the first two people hanged in colonial Savannah for the murder of their abusive master. Or James Stark, a tempestuous planter, and Dr. Philip Minis, who settled their dispute with a duel and still hang around the old building at Moon River Brewing Co. Or the terrifying boy-giant," Rene Rhondolia, who preys on young girls and animals. Join authors Michael Harris and Linda Sickler as they navigate the chilling world of those who refuse to leave their Savannah homes."

Customer Reviews

This book is one of the best of its kind in a city already filled with ghostly books. Not only is it incredibly well-researched but the stories are told in vivid, natural ways. It's an easy read and a genuine page turner. Harris and Sickler work together to create a book that entertains, informs, and engages. The authors make sure to approach their subjects from all avenues: historical, personal, and spiritual. The art is also particularly well-done with wonderful illustrations that consistently add to the stories. So whether you approach this book as a historian, ghost hunter, or just as a bookworm looking for some good stories, you won't be let down!

After having been to Savannah last year and learning much of the history and lore , this was a great

book to add to my collection....

Thought the book would be your typical book about the haunted places in Savannah, however, what I have read so far is interesting.

This small book gives lots of facts behind the myths and sitings. It is very informative and entertaining to read.
