The Virgin Of The World (Illustrated) (Annotated)

Synopsis

Contents: Introductory Essays and Preface
The Virgin of the World
Asclepius on Initiation
Definitions of Asclepius
The Fragments
NOTE. In presenting the "Virgin of the World"--which with my "Hargrave Jennings" Edition of the "Divine Pymander," now so much in repute and demand, are the text books of Hermetic thought--it is no act of supererogation to gratefully acknowledge my appreciation of the valued services of all associated with me in the privileged task of once again reviving those priceless writings of that "Master Initiate," "Hermes Mercurius Trismegistus;" (to be shortly supplemented by the Third Volume, or "Golden Treatise concerning the Physical Secret of the Philosopher's Stone, in seven sections," esteemed one of the best and oldest pieces of Alchemical Philosophy extant; comprising, in epitome, the whole Art, and secret method of its confection, with corroborative annotations from Fludd, Behmem, Vaughan, &c. Bath; May, 1885.
