## **Customer Reviews**

I loathe the books that run through pages of details. Happily, this writer is not one of those. The focus of the book is action and it's done well. I'm hooked. Waiting to see what Jack Winchester gets into next.

I really enjoyed reading this series and can't wait to read book four. You can't help pulling for jack!!!! It's action packed, and so many characters that you hope will be back in another book!! GO JACK!

Now, this was number 3, and it was the third fun read. I have spent the winter recovering from a broken ankle and wanted to have a book or series that kept me interested and that I liked the main character. This book and the earlier two were perfect for me. I read quickly and I enjoyed the lead character and wanted to continue. I would recommend this book/series because it was fun, quick and allowed me to read for pleasure. Sometimes reading for readings sake is the answer.

In the 3rd installment we find our character Jack taking up where #2 in the series left off. The action is non stop and a page turner from start to finish. Once again Jon Mills has put together characters that are developed and easy to follow. This book has some new twists and turns and has Jack engaged in more hand to hand combat then in the past and something I thoroughly enjoyed. Great series thus far and looking forward to #4.

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

Very good story. Will read it again. This is one of the only series I have found that is not romance but action. It's what I've been looking for. Thank You Mr Mills.. Will be looking into more of your books.

I look forward to the coming book in this series of books. I have enjoyed Jack Winchester and the people that he crosses paths with. I'm becoming a fan of yours Jon Mills.

I literally stayed up all night all three made me anticipate the next. Best series hoping to get book #4 soon I recommend all Jon mills books to everyone!!!!!!
